Successful Revival at Shooting Creek, N. C.

At Times the Power and Presence of the Lord Was Great.

Glover P. Ledford

A successful revival conducted by Brother Zeno Tharp, of East Chattanooga, Tenn., assisted by workers from East Chattanooga, and Cleveland, Tenn., has just closed at this place. In some respects the meeting was not like the one held in the same community one year ago, however, this is only characteristic of Church of God meetings and gatherings; the Lord is always giving us a variety of good things. At times the presence and power of the Lord was great; the scenes and occurrences were wonderful to behold. From the very deep of our soul we thank God for it all.

The meeting began on the night of the 4th of August, and was conducted at night only for the first few days. The altar was soon full of seekers but not very many received any blessings from God until after Brother Tharp had preached some real doctrinal sermons, and thereby cleared away some confusion of mind that some were laboring under, which was brought about by hearing doctrine that will not stand the test of the Word of God, nor in the judgment where we are all traveling. After this, souls began to get blessed and from then until the close of the services we could not have expected any better.

Sister Maggie Free conducted some of the services, in which the Lord blessed and in which a wonderful impression was made on the people. An effort was made and persuasion brought to bear to keep Sister Free in this part of North Carolina, at least until the Assembly, but in order to keep a promise she returned to Cleveland to take charge of the South Cleveland Church.

Time will not allow us to make mention of all the minute details of the meeting but we do wish to mention some things that took place in two services, possibly more.

On Saturday night Aug. 15, the altar was crowded with seekers and at first there did not seem to be much interest but as time passed interest became better, faith was increased, the power of God fell and the scene cannot be pictured with words—Methodist, Church of God and Baptist (if they were about the altar) were leaping, praising God, shedding glad tears, some talking in tongues, dancing under the mighty power of God on account of His presence and the joy of heaven in their souls. About four or five were sanctified at this time.

On Sunday afternoon following the people began to gather on both sides of the beautiful stream of Shooting Creek to witness the baptismal service. Brother Tharp had in the services instructed that any one who had not been baptized by a minister having the Holy Ghost should be, and for them not to go to the baptizing un-

We Then That Are Strong

A young girl, who was being urged to come into the church, said frankly: "I am fond of dancing and cards, and though I don't see any harm in them, I know most people are opposed to them. If I should join the church and keep on at these things, lots of people would think I was a hypocrite." "Well, what of that, if you are sure you are right?" "Why-why, I'd be harming the people who didn't believe in me. At least I couldn't do them any good." Out of her own mouth she had condemned herself. She had confessed that these worldly pleasures were responsible for her remaining out of Christ, and she had no reason for believing that her case was an exceptional one. She had admitted that they spoiled the Christian influence of those who indulged in them. The only plea in their favor was, "They do not hurt me."

Has this command gone out of fashion, "We then that are strong ought to bear the infirmities of the weak, and not to please ourselves," or have we substituted, "We then that are strong ought to do as we please because we can"?—Selected.

Determined to Go All the Way

GLOSTER, Miss.—I want to praise God this morning for this great plan of salvation. I also praise Him because He saved my soul from a devil's hell. Oh, friends, we can never praise our God enough for what He is to us. I have been in this way three years and a half and am not tired of the way one bit, it grows sweeter to me each day, and by the help and grace of God I mean to go all the way with Jesus. I have had hard trials to go through with, but I know my troubles here will work a far more exceeding weight of glory for me if I will hold out, until the end. I never expect to turn back into this old world of sin and woe after God has done so much for me.

He wonderfully healed me of the T. B. of the lungs several years ago, and it still holds good. God never half does a job. He always does it right and we stay healed unless we commit sin and He told the people that He healed, "to go and sin no more lest a worse thing come upon them," and I took Him at His word. I surely wish that I could hear one more good sermon from a Church of God preacher. Mother and I are the only ones at this place that belong to the Church of God, so you see we need your prayers to help us on the way. I just can't get along without the Evangel each week. It is food for the soul. I wish everybody would read the Evangel, it would be the means of their soul being saved. Well, praise God I am feeling good in my soul right now. Pray for me to stay humble at the foot of the cross till Jesus comes or calls for me. —Mrs. Ethel McCabe.

EARNEST PRAYER SUGGESTED

Make Preparations for the Assembly

F. J. Lee

The great Assembly of the Churches of God will soon be on and we are expecting it to be the greatest of all the Assemblies in the history of the Church. We are expecting it to be great on account, not only of the large attendance, but because of God's mighty presence with us.

We notice that Sister Cotton has warned the people of the danger of becoming at ease in Zion since God has so wonderfully manifested His good pleasure toward us, and she insists that all people everywhere in the Church of God besiege the throne for the best Assembly we have ever had. I am taking for granted that Sister Cotton is writing the sentiment of every member in the Church of God.

It is true that God has been very favorable toward us, and I believe I can truthfully say that this year, closing with the coming Assembly, has been the greatest year in the history of the Church of God, for success in revivals and every other undertaking in the Church.

Now because of His special favors toward us, why should we not set apart a day for prayer and thanksgiving? I believe that this great body can prevail with our Heavenly Father for the greatest Assembly, the greatest harmony and the greatest good accomplished of any Assembly of previous years.

How are we to do this? We shall call a special prayer day for October 11. The pastor or those in charge will please on this date make mention of the Assembly, then insist on the members attending, after which concert prayer should be offered for the Assembly and those in charge that we may be wholly directed by His great, Holy Spirit in the whole affair.

A Letter of Instruction

F. J. Lee

Fools Despise Wisdom and Instruction.—Prov. 1:7.

To the sisters in Africa, if there should happen to be any on that continent who are expecting to become members of the Church of God, I want to tell you that we welcome you into the Church of God as full fledged members along with the whitest lady of America, that is, you are recognized as a member the same as she, but there is one thing the Church of God requires of those who are to become members and that is that our ladies wear a complete dress. I have seen the pictures of some of you ladies and I notice that in some localities you wear just a small garment around the loins. I do not know why you do this. It seems to me that it would be much better for you if you would wear a full garment, it would protect you from mosquitoes, and too, it would keep your shoulders from becoming sunburned; perhaps this is why you are so dark, you go so near naked, your lower limbs and arms are exposed not only to the mosquitoes and the broiling sun, but to the gaze of lustful men. I don't know whether you wear this kind of a garb at all times or not, or just only as you go to the bathing resorts. It may be that you haven't advanced far enough from heathendom to know that you should dress modestly.

We find in reading our Holy Bible that after Adam and Eve had sinned and lost their garment of glory they were satisfied to have a little flimsy apron around their loins. I suppose the man and woman didn't care after their fall how they appeared to each other, I suppose that they thought, the shorter the apron, the better they could wade water, this seems to be the craze at this day

and time. Now God came along and saw man and woman about one third dressed, and that one third in the middle. I do not know at what place He found them, whether at a dance hall, or at a swimming pool, any way He found them just about as near naked as men and women are often found at these places today. God was displeased with their garment, so He made coats of skin and clothed them, not with half or even one third of a garment but the Word says, He made a coat * * * and clothed them.

I am sure that when you ladies of the far away continent come to know how the Bible stands for modest apparel and how God frowned upon immodesty, you will be glad to submit to the counsel of those who watch for your souls, and not be seen half dressed in company with men.

Paul in writing to Titus told him to have the old women to teach the young women to be sober. See Titus 2:4. The Syriac version says, "teach them to be modest;" so here is a job for your dear old mother and your Aunt Jimma, Aunt Samantha and Aunt Dina. I am sure that they are ashamed of the garb some of their daughters appear in down in the bamboo thickets and sometimes near the water's edge, but surrounded with cane-brake. It wouldn't seem so bad, but they allow the young men to go along. Sometimes some of these sisters actually become bold enough to go on the streets of their little African villages, this also wouldn't seem so bad if it were after night, but they actually appear in open day light. Again I suppose it would not seem so bad if it didn't create such a sympathy among the missionaries. When a missionary sees one of these two

Worldliness and Soul Winning

Come ye after me and I will make you fishers of men. Matt. 4:19. A young lady, once a society belle, and fond of worldly amusements, consecrated her life to the Lord's work. In a rescue mission she was asked to speak to a poor wreck of a man who had been a gambler. He looked at her suspiciously as he asked, "Do you play cards, or dance, or go to the theater?" "No, not now," she replied. "Well, then you may talk to me; but I won't listen to one word from you fine folks who are doing on a small scale the very things that brought us poor wretches to where we are." And the young lady afterward said she had found more joy in the leading of that lost soul to Christ than she ever found in the pleasures of the world.—Selected.

A WONDERFUL OUT-POURING OF THE SPIRIT

BIRCHWOOD, Tenn. — We have just closed a three weeks revival near Earl's Grove Church, with Brother C. H. Prince in charge.

As our building at this place had been burned, we had our meeting under a brush arbor. It was a humble place, but the Lord did wonderfully bless. I have never seen such an outpouring of the Spirit. Surely we are living in the days when God said He would pour out His Spirit on all flesh.

A number came to the altar in the first service and souls began to pray through to victory. At times the altar was filled with seekers and in some services nearly every one would get through to the Lord. Oh such glory would be poured out upon us as the mourning of the seekers would be turned into shouts of joy and how their faces would shine. Hard hearted sinners and unbelievers would stand and look on with tearful eyes, and were heard to remark that it was of God. It was wonderful to see the young men and old, virgins (and women too) dance under the power of the Spirit.

There were twenty-four saved, thirteen sanctified, thirteen received the Holy Ghost, eleven added to the Church and twelve baptized in water.

The Church is greatly built up and strengthened. The blessings did not end with the revival, but are still being poured out upon us. Thank the Lord! Pray that we may ever be humble and stay where the Lord wants us.

Bessie V. Bower.

I am truly glad to report victory in my soul through the precious blood of Jesus. This moment finds me saved, sanctified and baptized with the Holy Ghost and fire, and determined to go all the way with Jesus.

Bessie Franks, Jupiter, Fla.

Many Were Blessed. The Large Building Would Not Hold the People.

The Alabama State Camp Meeting convened at Alabama City, Saturday, Aug. 1 at 7:30 p. m., with Brother S. J. Heath in charge. It was attended by a large crowd. We had some good music, with Sister Heath presiding at the piano, then the Welcome Address by Brother T. A. Richard, after which Brother Heath delivered a very interesting talk on what it takes to be a Christian, and the need of studying God's Word. He emphasized the need of us as members of the Church of God, knowing something more than Acts 2:4. He took for a Scripture lesson the second chapter of II Timothy. The Spirit of the Lord was manifest throughout the service.

The sunrise prayer meeting Sunday morning proved to be a great success. Brother Arnold Rogers superintended the Sunday school, after which Sister Heath made a splendid talk on, Bible Training for Children and the need of teaching them in the Sunday school. We then had a beautiful song service, followed by a wonderful message on, The Church of God, the Body of Christ, by Brother E. M. Ellis. After this powerful sermon, I am sure we are satisfied that we have found the Church of God; and how we become members and are not born into it but actually added. A message was given in tongues and interpreted.

In the afternoon service after songs, and prayer by Brother Blanton of Boaz, Ala., we enjoyed a special song by Mr. and Mrs. Rumsey and Sister Heath. Sister Heath had charge of the service and gave a wonderful talk on Caring for the Orphans. She woke us up to the fact that we need to do more, and an offering of \$7.15 was taken up for them. Several splendid talks were made about the Evangel and what a blessing it had been to multitudes, then subscriptions were taken.

Sunday night the house was filled and a large crowd on the outside. In Sister Newman's message, Hell, or the Future Abode of the Wicked, she pictured hell so plain that surely every wicked person in the house could see how they would be tortured for ever and ever unless they repent and make peace with God. Several fell in the altar in response to the call, also several gave their hands for prayer.

Aug. 3. The Bible Study from 10 to 12 m. was from the sixth chapter of Romans, and several interesting points were brought out and explained.

The praise service in the afternoon was conducted by Sister Newman. There was a good attendance and the Lord was with us.

In the night service Brother E. M. Ellis delivered the message on, Heaven, or the Future Abode of the Good.—text I John 3:1, 2. He told us what it will take to get to heaven, and how we may have a little heaven in

The South Carolina State Convention was a remarkable success. The indications are that Evan M. Ellis, Overseer, and the ministers associated with him have had in many ways a very successful year.

The prospects are bright for the Church of God in that State. The Editor returned Monday from the Convention. The few days spent there were richly enjoyed and we were very pleasantly entertained in the home of J. B. Ellis, E. M. Ellis and John T. Buff.

The Convention was a real feast and especially helpful to those who were present. A report will appear in the Evangel at a later date.

Our Sunday School Secretaries are especially advised to place their order for Sunday School Literature for the fourth quarter at once in order that delivery may be made before the beginning of the quarter.

We also advise as far as possible to send cash with order. The price list may be found in another column of this issue. Don't forget to include a sufficient quantity of the Beginners Quarterlies for the little folks, as it is meeting with great favor among the children.

Don't fail to take into consideration that the fourth quarter covers the holidays, therefore, an increased order will be necessary. Order early to avoid the rush.

The Passenger Association has very kindly granted us a special reduced fare to the Annual Assembly of the Churches of God, to convene in this city October 19-25. Now, a word of instruction to those who are planning to take advantage of this reduced fare.

(1) You may purchase your ticket to Cleveland, Tennessee, between the dates of October 16-22. When purchasing a ticket, call for a certificate, paying the full fare one way, then the certificate will entitle you to return on one-half of that fare.

For example if the full fare is \$10.00, then with your certificate you will be entitled to return home for \$5.00. This makes one and one-half fare for the round trip.

(2) The certificates are good for the purchase of reduced fare tickets any time between the date of October 20-28 inclusive.

(3) When you call for your ticket, tell them that you and your party are going to attend the CHURCH OF GOD GENERAL ASSEMBLY at Cleveland, Tenn., and to give you a certificate, entitling you to the reduced fare. It would be well for you to make inquiry at your ticket office and see if they have been furnished with the certificates, and if they have not, kindly request them to get them and have them ready on the day that you expect to start to the Assembly.

Now, inasmuch as the Passenger Association has been so courteous to us in granting these favors, also the courtesies extended to our ministers, we especially advise that as many as possibly can, arrange to come to the Assembly on the certificate plan. As many will come in their cars, we advise that all that come by rail, come by the certificate plan, so it will make a better showing for the Assembly and guarantee the required number

ANOTHER CHURCH IS SET IN ORDER

HOWTON, Ala.—I am thanking God today for this wonderful plan of salvation. I have just closed a meeting at this place. The Lord sure did bless. We started the meeting July 25 and closed it Aug. 7. Four were saved, five sanctified, three baptized with the Holy Ghost and we set a church in order with eight members. We certainly had a wonderful time. We sure do thank the Lord for the hearty cooperation of the saints of the Church of God at Sears, Ala.

My wife and I have just given up home since the first of April, and are trying to do something for our blessed Saviour. We can't do any great things, but we are trying to do some of the smallest things for Jesus, our redeemer, praise His holy name. We go out into the country and carry the Gospel to the poor people. We sure have a good time. People sure treat us nice. We enjoy helping people pray through to victory, and shout and dance and talk in tongues with them. We are certainly enjoying salvation. We ask the saints everywhere to pray for us that we will go on with the Lord.

Chas. G. Herring, Evangelist.

MEMPHIS CHURCH GETTING STRONGER

The Church here is getting stronger and gaining ground. While the enemy was strong, the power of God was stronger and overcame him. The Church is standing for the whole Bible rightly divided, and they are glad to come under God's laws and government and obey those who have rule over them in the Lord, with Jesus Christ, their Divine Head.

We just closed a meeting here last night; one sanctified; one reclaimed, and five added to the Church which are pure gold. There are some more true blue ones to come in yet and be baptized in water.

The pastor was in charge and for the reduced fare. Please observe these instructions carefully and govern yourself accordingly.

did most of the preaching. The Word was given out with power and love. We had Brother Ray Falsom with us a few nights, who did some good singing and preached some edifying sermons. He went from here to Hatchie Station to begin a meeting.

Dear saints everywhere, pray for me.

J. L. Dillingham.

GREAT VICTORY AND CHURCH SET IN ORDER

WEBB, Miss.—How I do thank God this morning for victory. We have just closed a fight against sin and the devil and God wonderfully blessed.

Brother R. C. Mullen started a meeting near Webb, Miss., and the Lord began to bless. As this was a new field, he needed some more laborers, so some of the good people who wanted the real Word of God preached, got in a car and went for Brother J. C. Webster. Soon they found they needed more help, especially altar workers, so they came for husband and I. We were at the time attending a revival at Shady Grove, but it seemed they had plenty of help, so we heard the "Macedonian call" and came here, and O how God blessed our efforts.

Brothers Webster, Mullen and husband gave out some good messages under the mighty power of God. The altar was filled from the beginning. We were only there three days.

As best we could get the record, there were eleven saved, eight sanctified, two received the Holy Ghost, eight followed the Lord in water baptism; and Brother Mullen set a church in order with seven members, more to follow later; also a fine Sunday school organized with about thirty-five scholars.

One man who owns a big farm, said he would give an acre of land on which to build a church house, and \$100.00 on the building. All who read this please pray for these people, and also pray God to supply the rest of the means for a church building. "If God be for us, who can be against us."

Brother Mullen is watching over the flock.

Mrs. H. L. Gillett,
Scobey, Miss.

This is to let you know that after the most of two months suffering from chills and fever in my family, and being bereaved of two of my little children, I am yet determined to go through with the Lord at any cost. Many have written me since being bound here at home, asking me to come and hold meetings. I take this way of letting you know why you have not heard from me, or had my presence at your place. After going through much suffering and hardships we are marching on with a victorious tread, and have a greater zeal than ever before, and I can hear the still small voice of God saying, "Go ye." Now I will get to each place as the Lord helps me. We ask your prayers that we may ever be conquerors for Jesus.

Your brother in Christ,
T. A. Sears.

N. B. My address is changed from Cherry Valley to Wynne, Ark.

SOLOMONS, Md.—I have been a subscriber to the Evangel over 12 months. I love it and it is food to my soul. I am praising God for saving me from sin, sanctifying and baptizing me with the Holy Ghost. I am thanking God for what He is to me, and for what He has done for me and mine. He healed my husband of pneumonia in March and I promised Him I would testify to it in the Evangel. Pray God to keep us on the firing line and help us to be soul winners for Him.

Mrs. Louisa Cook.

HATTIESBURG, Miss.—Helen Rivers writes, "I am praising the Lord for what He has done for me. He has saved, sanctified and filled me with the Holy Ghost, and added me to the Church of God."

I am 16 years old and have been in the way 1 year and am not at all tired of the way. All who read this pray for me and my brothers that they may come this way.

NOTICES

As I have been appointed Secretary and Treasurer of the Building Committee at the Wimauma State Camp meeting for the building of a new tabernacle, I wish to announce through the Evangel that all who subscribed their amounts payable in three months, it is about due and we are ready to receive it any time. Any who subscribed to pay in 4, 6 or 12 months can send to me any time you may wish. Quite a number have already sent their amount in.

We have all the new five acre tract cleared for the new building. We wish to make many changes on the grounds that are very needful, for the benefit of our visitors such as, rearranging our restaurant and dormitories so we can serve people more promptly. All who can come to our fall camp meeting. May the Lord bless.

Sam T. Wadsworth,
Wimauma, Fla.

There will be a communion service at the tabernacle near Fairmount, Ga. Sept. 13, at 2:30 p. m. Everybody invited to attend this service. J. S. Walker, Pastor.

A Little Girl Praises God
LAKE WALES, Fla.—I am thanking and praising God tonight for salvation. Am glad the Lord ever looked down and picked me up out of the miry depths of sin and placed my feet on the solid rock, Christ Jesus. I am a little girl 12 years old but am praising God because I am saved, sanctified and filled with the Holy Ghost.

GIBSON, Ga.—How I do praise the dear Lord this morning for His goodness to me. I promised the Lord if He would heal me that I would testify through the precious Evangel so I will be true and do as I have promised. First, I praise the Lord for saving, sanctifying and filling husband and I with the Holy Ghost about three years ago, and He still abides today. Thank the Lord!

I praise the Lord for the little Evangel, oh, how I do love its pages, because it is real food to my soul. I am so lonesome when it fails to come on Saturday to let me hear from the dear saints. Hallelujah! I want to be able to trust the Lord more and get closer to him so that He may use me and get glory out of my life, praise His name! I will ask the saints everywhere when they read this to pray a special prayer to God that He may heal and straighten my eyes, also husband's. Praise the Lord! It seems that Satan doesn't want me to testify through the Evangel. By the help of the Lord I mean to go through with Jesus.—Mrs. Charlie Morgan.

Ervin, Tenn.—Mrs. L. C. Yates writes, "I praise the Lord because anywhere and any time we can be a worker for the Lord if we just keep sweet, but to keep sweet we must first be purified and made white, then we can keep ourselves unspotted from the world and follow the meek and lowly Nazarene."

Many people are hungry to hear about this salvation and if we will live prayerful before the Lord we will be able to point them to Jesus and not only to tell them of Jesus but to tell Jesus about them. Oh! if we would not shrink from the burdens of the lost souls but just suffer anything to see the salvation of souls; fast, pray and do all we can and I am sure that Jesus will do the rest.

Pray for husband and I that we may stay humble and be workers in this place.

LIVE OAK, Fla.—A sister writes, "I'm praising God this morning for the deep settled peace in my soul and for the Comforter that came into this temple of mine 3 years ago the 3d of June."

I have had many trials and heartaches since then but the dear Lord always calms my troubled breast and I feel like pressing on and by the help of the Lord I mean to make heaven my home.

Please pray for me that I may ever be humble and true also pray for my unsaved husband."

A LETTER OF INSTRUCTION

(Continued from page 1)

thirds nude sisters, their sympathy goes out toward them and they instruct and pray for them that they may receive genuine salvation, because they know that when they become genuinely converted they will put on some clothes and will also act with modesty.

Paul says that, love doth not behave itself unseemly. This means that when the women as well as the men really get enough of God within them, (and God is love) they will not act in an unseemly way, or in other words an unbecoming way.

Some seem to think it very becoming to don a short legged bathing suit and appear before men. Sometimes these pretty maids (?) have their photographs made in this becoming garb (?) as they call it, and have it run in the daily papers. Instead of this being really becoming, Paul refers to actions like this as unseemly, and he says love will not do it.

Some of the fair sex of our fair land may "squeal" when they read this. Why need you to "squeal?" I am writing to certain heathens located in Africa, those who have not been instructed in the truths of the Bible, we are interested about them and want them to go to heaven with us and we know that it will be impossible for them to go, if they persist in their immodest way of going two thirds nude before the men of this world, so we want to preach to these poor heathen and get them to love God supremely and they will quit their unseemly way.

I would be glad that you dear people could sail the mighty ocean and attend the Church of God Assembly that is soon to convene, for I think that this subject shall be thoroughly discussed, then after this I feel sure that you are going to have to put on a dress or be given over to your reckless ways to suffer the consequences of disobeying God, also you will be debarred of membership in the great Church of God until you learn to be modest.

A hint to the wise will be no surprise,
But by the Spirit and Word will they be directed.

They shall not be pierced with a gaze of eyes, nor the sun in the skies,
Neither shall they, of the Church be rejected.

LARMAR, Ala.—Lillie Belle Daniel writes, "I want to praise the Lord for what He has done for me. Bless His name. He is everything to me. He helps so much in my troubles and distress. I have been in bad health for 4 years but the Lord is healing my body and giving me strength. Praise His name. I am saved, sanctified and filled with the Holy Ghost. Pray for me that I may stand true and never turn back."

The final service at the Church came Monday night the 17th, was another grand success. Sister Free conducted the first part of the service and a free-for-all testimony which was very impressive on the account of the presence of the Lord. Following which Brother Tharp made a very interesting heart to heart talk, and if there was any opposition in the Spirit after he finished his remarks it certainly could not be felt. Stalwart men, among the number, the high sheriff of the county, women, young men and women, boys and girls came forward to bid Brother Tharp good-bye in a hearty handshake and each with a request for prayer. This service will long be remembered.

As best we remember there were about twelve saved, twelve sanctified, eight received the Holy Ghost and nine followed the Lord in baptism.

SUCCESSFUL REVIVAL AT SHOOTING CREEK, N. C.

(Continued from page 1)

prepared to be baptized as something might take place at the water that would cause them to regret that they were unprepared. Consequently, when the hour arrived for the service the presence of the Lord came down; a mellow, sacred solemnity that brought tears to the eyes of the unsaved, joy and glad tears to those who were His and, after the candidates had followed the Lord in baptism a young man in the choir who has the Holy Ghost, member of the Church of God, but had not been baptized by a man full of the Holy Ghost, hastily rushed into the water, shouting the praises of God, with best clothes and shoes on to meet Brother Tharp and obey the Lord. I regret that I cannot describe this service, but it seemed that heavenly atmosphere was all around, others beside the young man referred to, later stated that they were so sorry that they came unprepared to be baptized and some of them were so in earnest that they requested and were baptized on the following Tuesday morning.

A good service Sunday night following the baptismal service; a number were blessed. During the altar service a messenger came in stating that a young man some three miles from the church had been bitten in the neck by a rattlesnake and had requested that the Church pray, as his chances for life were slim. Whereupon prayer was made; after service a number of the saints with Brother Tharp went to the home of the man; the sight was pitiful and the man again requested that we pray, which we did. This man had heard the gospel just a few nights before and remarked to Brother Tharp that a trap was ready and a man would be caught that would not live right, or words to that effect. At this writing, six days later, the man is doing very well.

The final service at the Church came Monday night the 17th, was another grand success. Sister Free conducted the first part of the service and a free-for-all testimony which was very impressive on the account of the presence of the Lord. Following which Brother Tharp made a very interesting heart to heart talk, and if there was any opposition in the Spirit after he finished his remarks it certainly could not be felt. Stalwart men, among the number, the high sheriff of the county, women, young men and women, boys and girls came forward to bid Brother Tharp good-bye in a hearty handshake and each with a request for prayer. This service will long be remembered.

As best we remember there were about twelve saved, twelve sanctified, eight received the Holy Ghost and nine followed the Lord in baptism.

IN MEMORY OF

BALDWIN

On Saturday morning July 11, the death angel came into our home and carried our precious father, D. N. Baldwin, away to that beautiful home above. It seemed so hard to give him up as he had been father and mother to me, but I bow in humble submission, for my heavenly Father doeth all things well. How I praise God for the assurance he gave me that it was well with his soul. I spent a few days with him just a week before the end came, and as we sat together and talked about the goodness of God he told me he had said lots of things that were not right but he saw things different now; and when we went to leave him he said, "The Church of God is right, go preach the gospel and get souls saved." It was just a week until I received a telegram, while we were in Offerman in the camp-meeting, to come at once that he would not last long—it was just four days I was with him, until God took him. Just a few hours before his departure he took my hand and said, "You have been so good to me," and then he called each one of the family, took each one by the hand and had us kneel around the bed and have prayer. He looked at me just as the last breath left him. I thank God for the privilege of being with him.

I thank God for the precious saints who prayed for me in this sad hour, may God bless each one of you. It seemed that when I was passing through such severe tests surely God would stand by me, and I believed He would give my father back to me as he once was, and, praise God, he did. He turned to his wife and said, "I am passing over now," and she said, "Is it beautiful," and he said, "Yes." His death was so calm.

We laid him away in the grave in Marietta, Ga. among the beautiful flowers sent by loving friends, to await that beautiful resurrection morning.

We sorrow not as those who have no hope, but we know that some day we that are alive who are ready will rise to meet the Lord in the air; and the dead in Christ shall rise first. Oh what a happy meeting that will be. All tears will then be wiped away.

He leaves a wife and three sons who so nobly stood by him, and God grant that our family will not be broken in heaven.

The testimony that he left was the evidence of a noble life. He was always bright and had a kind word for every one. The following poem was written by one of his band boys who loved him as a father.

Written by one who loved as a daughter could.
Mrs. S. J. Heath.

OUR DIRECTOR

By Edgar Clark
There's a beautiful City
In a beautiful land,
Where beautiful angels stay;
The streets are of gold,
Made by the hand
That guides us day by day.

The Infinite Father's home is there,
And He is calling us one by one
To come to His place of rest:
Our Band Master was called—
His work here is done,
He has gone to be with the blest.

He fought a good fight
And was ready to go,
When God's bright angel
came;
His pleasant smile and cheerful
voice
We miss in our woe,
But in reverence we cherish
his name.

We followed this leader
Five long weary years,
Through storm, sunshine and
rain;
He shared in our pleasures
And shared our tears,
But now, alone we must bear
our pain.

He has gone to that City
In the beautiful land,
Where, on golden harps they
play;
God needed a Director
In the Heavenly Band,
So He took Prof. Baldwin
away.

Dedicated to our Band Director, Prof. D. N. Baldwin, who crossed over the river to rest in the shade of the trees Saturday morning, July 11, 1925.

WATKINS

On June 16, 1925 the death angel visited our home and claimed our darling little boy, Albert, age 10 years, 2 months and 16 days.

We loved him so much but Jesus loved him the best, and has taken him to glory where we expect to meet him some day.

Though the little frame is silent,
Though the spark of life has fled,
Baby darling thou art sleeping,
Little one thou art not dead;

Sleeping in the arms of Jesus,
Free from earthly care and dread.
Please pray for us.
Your brother and sister out
for the Lord.

Mr. and Mrs. C. W. Watkins.

A NEEDY FIELD

STRUTHERS, O.—A few lines to let the saints of Ohio know that Sister Bertha Weaver, of Walbridge, O., held a two weeks meeting here.

The battle was very hard, but the good Lord blessed her in giving out the Word.

Someone said there was no use for us to start a meeting, because there was no one to come to the Church of God, but we thank the Lord because they did come.

We observed the Lord's supper and feet washing the last night, July 26. All the seats were filled and seventy-five or more people on the outside.

Some outsiders said if Sister Weaver's preaching was true, that even their pastors were not saved, much less themselves.

During our meeting while the Lord was blessing us greatly some preachers of another denomination came in. They could speak several different languages that they learned in schools. While one of them was talking in some foreign language, the people were listening but their understanding was unfruitful. As soon as he had finished speaking, another one of them got up and interpreted it. He said that was the way they spoke on the day of Pentecost and not like the Pentecostal people do. I do not say these preachers came to hinder us, but the Lord knows.

Beloved this is a needy field, and it is ripe too. But the enemy has sowed all kinds of tares and corruptible seed among the wheat. We need men here with sharp sickles to cut down those large "Russian" thistles without injuring the wheat.

Some of you people who are on fire for God, especially in Florida as I read in the dear Evangel, I wish would come to Ohio and thaw out some of the large icebergs here—I mean the cold churches.

One was added to the Church of God during this meeting, who is a good one as he is a minister of the gospel. We thank the Lord for him, and others to follow later.

We have to hold our services in the house of Brother and Sister Anderson at present, but we trust to have a place of worship before long, by the help of the Lord. We desire the prayers of every child of God for this place.

May the grace, peace and love of our God be with you all. Amen.

J. C. Cresty.

EXPECTING GREAT THINGS

PHOENIX, Ariz.—I want to sound a note of praise to God, for being saved, sanctified and filled with the Holy Ghost. Have had the baptism of the Holy Ghost with the Bible evidence of speaking in other tongues since 1907. I was added to the Church of God this last May.

We have a church set in order with thirty-eight members, and God is blessing in a wonderful way. We are expecting great things for the Church of God and want all the saints to pray that we may keep humble.

A. F. Sutter and Wife.

District Convention at Marietta, Ohio.

On Aug. 1 the District Convention was held at this place, with Brother Beagle, the pastor, in charge. He highly commended Brother Worstell for his loyalty to his office as clerk, and gave a short talk to the church which was very edifying. After singing "I want to be a worker for the Lord." The pastor exhorted all who did and would stand by him to confirm it by a testimony; in the midst of the testimonies, while the fire was falling the Holy Ghost gave an altar call, and many fell in the altar crying to God; the Lord blessed in prayer for healing, and two were added to the church.

Sunday morning after Sunday school Brother Martin brought the message using for his text, "How shall we escape if we neglect so great a salvation?" under anointing and power of the Spirit to hungry souls. After feasting spiritually a feast was spread from well-filled baskets to satisfy the natural man. Brother Drummond, pastor of Parkersburg, W. Va. church, with a band of saints arrived in time for dinner.

After dinner Brother Drummond, his little girls, and Brother Beagle with Sister O'Brien as organist sang "Just a Little While to Stay Here," etc. Brother Drummond and his church occupied the platform, also a colored sister in the Parkersburg delegation, then Marietta church came to the platform singing, followed by Archer Fork church. After all were seated Brother Beagle gave a short talk and Scripture on Tithes, as the Spirit fell on Sister Julia Bays she came to the platform singing, "It Won't Do to Hobo Through," then she delivered a message on the subject, "The Highways and Hedges," which was in the power of the Spirit, she is an ideal Christian, who is loved by all.

Brother Beagle was cheered as he told them how he wanted to be a true shepherd and exhorted them to stand by him. Brother Drummond gave a very edifying talk, which brought tears and joy. The Lord blessed all through the services, churches worked in harmony, and we want visiting workers to come again. We ask the richest blessing of God upon our pastor who has worked so faithfully, and his companion who seems a mother to the church.

E. D. Thornton.

The Whole County Was Stirred
SILVER POINT, Tenn.—The meeting at this place was from July 19 to Aug. 6.

Large crowds attended, estimated to be 1,500 several times, and the whole country was stirred. Many were convinced that the Church of God is right.

There were seven saved, nine sanctified, one received the Holy Ghost and many seekers in the altar.

This is a fine place for any one who will preach the whole Bible. In spite of all opposition the Church is shining with its pure doctrine, so come on, let's work a little harder. The Bible said "Stand in the way and see," and the people sure are, so come on and we will win for it is no trouble to convince the people that the Church of God is right.

C. H. Martin.

BASWELL, GA.—Lettie Bramlett writes, "I want to praise the Lord for healing my eyes and healing me of a stomach trouble when He gave me the Holy Ghost last Aug. Pray for me that I may stay humble at Jesus' feet."

Healed of Acute Indigestion
WILDWOOD, Fla.—Mr. A. A. Harsey writes, "I praise the Lord for the way He healed my wife of acute indigestion by laying the Evangel on her in the name of Jesus and praying. We are not members of the Church of God but believe in it. Please pray for me and my family that we may receive the Holy Ghost."

DELTA, Ala.—Georgia Tremble writes, "I am praising God tonight because I am still saved, sanctified and filled with the Holy Ghost. Praise His name. And have a stronger determination than ever before to do more for the Lord."

One night the service continued until 2:30, and of course the enemy became alarmed. Many times during the meeting the saints were made to shout, dance and talk in tongues on account of the wonderful presence of God. Messages were given in tongues and even sinners were amazed at the manifestations of the Spirit. The crowds were good throughout the entire three weeks. The last night we observed the Lord's supper and washed the saint's feet. We had the privilege of having some of the Traf-ford saints with us.

We are expecting to engage in another meeting here before the Assembly and trust the Lord will give us many more souls.

REPORTS

Another Victory for the Church of God.

DALTON, Ga.—We have just closed a six weeks meeting with our pastor in charge, and the Holy Ghost as our leader.

It was about two weeks before we broke through, but there were fifteen of the good sisters that covenanted together to pray one hour every day for the success of the meeting, and I am persuaded to believe this was of the Lord and brought about the great victory won, for by the end of the second week we began to get victory. The Lord got hold of Brother Weeks and he sure did some real preaching, sinners got under conviction, the altar was full every night, and conviction could be seen all over the house; as sinners would weep at their seats.

This is the result of the meeting: Thirteen were saved, twelve sanctified, seventeen received the Holy Ghost, twenty-two baptized in water, and thirty-three added to the church. We thank the Lord for all this, which came through obedience. Some of the best people of this place took a stand for the Church of God. We want to thank the good Methodist and Baptist people who took a part with us in the meeting. Many in this town, even sinners, are constrained to say the Church of God is right.

Listen, there were some prodigals who had gone off from home, but, thank God, in their wanderings around they happened to find the latch string and were honest-hearted enough to give the string a good hard jerk of confession and walk right back into the Father's house; and of course we had to kill the fatted calf, and there was music and dancing.

I just want to say to any poor wandering sheep who are out of the old ship (The Church of God), to give the latch string a good hard jerk and come in—you will find some one at home.

The last night of the meeting we observed the Lord's supper and washed the saint's feet, and the power of God fell.

They tell me this was the best meeting that has ever been held in Dalton—it was just like being at the Assembly, so you who have attended the Assembly know just about what a time we had. We cannot tell half the good that was done, but let us live right and when we get to heaven we can see it on record.

Everybody pray that these little lambs who have entered the fold will find plenty of good pasture in which to graze.

We sure did enjoy a good talk on the Evangel yesterday by Sister Mollie Johnston.

J. T. Johnston, Clerk.

A Battle But God Gave Victory
KIMBERLY, Ala.—I wish to sound a note of praise to the great God whom we are serving, for the way He blessed through our revival during the month of July.

We began the battle against sin and the devil at this place on the first Sunday in July and expecting other helpers, but were disappointed. No doubt most every one felt somewhat discouraged after being disappointed, but in spite of the opposing powers we decided to do our best for God. The enemy worked in many ways, even the bodies of the workers, and I myself at times was almost unable to sing and preach, but we kept battling against the enemy and looking to God for strength. The saints were so faithful to hold on to God for souls, that after about a week they began to fall in the altar and cry out to God for deliverance. After two weeks the Lord was working in such a wonderful way that it seemed the meeting had just begun; and at the end of three weeks many were anxious for it to continue, but it seemed the time had come to close.

There were a number saved and sanctified, and most every one pressed on until the Holy Ghost came in and eighteen received the Holy Ghost with the Bible evidence; ten followed the Lord in water baptism and twelve were added to the church.

One night the service continued until 2:30, and of course the enemy became alarmed. Many times during the meeting the saints were made to shout, dance and talk in tongues on account of the wonderful presence of God. Many Came for Prayer
CLIMAX, Ga.—We began a meeting here Aug. 1 with the writer in charge. We had the presence of the Lord in every service. The meeting opened with a good sized crowd, which increased at every service until at the last we were not able to seat more than half the people. The Lord blessed in giving out the Word. We were glad to have Brother J. T. Underwood come over and help us. He preached some soul stirring messages.

I was very much impressed with the grove services. I am sure there were a dozen or so strong able-bodied men in the services who requested us to pray that the Lord would show them the right way.

The services for the last day, which was Sunday, Aug. 9, were just fine. At 11 o'clock Brother Underwood preached a wonderful sermon on the Church of God, after which the writer carefully stressed the requirements of the members and gave an opportunity for some to be added. Two came into the Church and in the afternoon followed the Lord in water baptism.

At the closing service Brother Underwood gave a wonderful message under the power of the Holy Ghost using for a text Heb. 2:1-6. Many came for prayer. Pray for this place.

Revival at Carbon Hill, Ala.

We have just closed a three weeks meeting at this place which was a great success. Many souls were blessed during the meeting and it closed with several in the altar; the power of God fell and the people shouted for real joy. Some were healed of their diseases, 16 were saved, 7 sanctified, 7 received the Holy Ghost, 10 baptized in water and 10 added to the Church at Carbon Hill.

OKLAHOMA REVIVAL—THIRTY-SEVEN SAVED

MAUD, Okla.—God is blessing here in a wonderful way. There have been thirty-seven saved, twenty sanctified, thirteen received the Holy Ghost, and twenty were left in the altar last night. Don't know how long the meeting will run. One man has offered a lot to build a church on, and \$100.00 on same. We are having wonderful crowds, estimated from two to four thousand people each night. Enclosed find eleven subscribers to the Evangel. Don't forget to pray for me.

E. H. Nelson.

LAFOLLETTE, Tenn.—We have just closed a two weeks meeting here. C. M. Fowler and L. E. Jones were in charge, and Sister Holmes and other workers helped. There were seven saved and one reclaimed. Brother Starling Smith came in the last of the meeting and delivered some powerful sermons. There was much interest and meeting closed with

several seekers in the altar. Pray for this little church.
L. E. Jones.

PEOPLE HUNGRY FOR MORE OF GOD'S WORD

I want to sound a note of praise through the Evangel which I love so well, and am always glad to receive as it fills my soul with glory to read the good testimonies, etc. I am glad to report victory over sin and the devil this morning.

I have just returned from Lamar county, near Corsicana, where I held a weeks meeting, and I want all who read this to pray for those people as they are hungry for more of God's Word. This is as fine a place as I ever saw for a Church of God. The Word was given out with power, and the third night seven were in the altar seeking the Holy Ghost. One received the Holy Ghost and three were saved during the meeting. God wonderfully healed a man of an eating cancer on his head. A little girl who had been kicked by a horse and couldn't walk a step, was instantly healed.

I want all who read this to pray that God will provide a real Church of God preacher for that place.

God Working in A New Field

ALBERTVILLE, Ala.—Just closed a ten days meeting at this place. There must have been about a dozen saved, sanctified and filled with the Holy Ghost, and eleven were received into the Church. This is a new field, the Holy Ghost and the Church of God had never been preached here before. Many are looking this way. I had a good bunch of workers with me.

We are going back for another meeting Oct. 10-18. Place: Albertville, Ala., Route 6, at R. J. Lamberts home and tabernacle.

Z. D. Simpson in charge

WIDENER, Ark.—I want to thank and praise God for the blessings we have received at this place.

We have just closed a thirteen days meeting at this place with Brother Emmitt Taylor, our pastor, in charge. The Lord sure did bless him in giving out the Word.

There were three saved, two sanctified, three received the Holy Ghost, six followed the Lord in water baptism and seven were added to the church.

One man was saved who had been against us, and the Lord wonderfully healed his body. The doctor had said he would not live over twelve hours.

There are others seeking the Holy Ghost, the writer being one of them, so pray for us.

Lurah Martin, (Clerk).

HATTIESBURG, Miss.—Cor-die Lambert writes, "I am praising God this morning for saving, sanctifying, and filling me with the Holy Ghost with the evidence of speaking in other tongues as the Spirit gives utterance.

I am only 12 years old and have been in the way one year and four months and am not the least bit tired of the way. I desire the prayers of all who read this to pray for me that I may overcome every temptation that Satan may bring before me."

LAKELAND, Fla.—Mrs. Lot-tie Thomas writes, "I thank the dear Lord for His goodness to me, for the good health, friends and above all I thank Him for Jesus. Pray for us that the Lord will open up the way that we may get to go to service more. We live so far from the church."

ALABAMA STATE
CAMP MEETING

which to go to heaven.

At the close the altar was full of seekers and one was saved.

Aug. 4. The morning Bible study was on the Philadelphia Church from Brother Lee's chart. Brother R. G. Robertson made a good talk on Missionary Work in the afternoon service. Brother Heath preached at night on, Power of Prayer, reading John 14. He taught how prayer would move things, and that by holding on to God in earnest prayer He would help us in the time of trouble.

Aug. 5. Bible Study in the morning, and in the afternoon, Brother J. M. Hartin made a wonderful talk on Unity. He showed us by the Word of God that by being "knit together in unity" the Lord will do great things for us, working with signs and wonders. The Lord manifested Himself in the praise service at night conducted by Sister Heath, after which Brother Newman gave a most wonderful discourse on How to Raise Children. He exhorted the fathers and mothers to get right with God, and then to train their children in the way they should go and when they became old they would not depart from it.

Aug. 6. We had a good time with the Lord in the sunrise prayer meeting. Our Bible study from 10-12 m. was from Rom. 8.

At 3:30 p. m. after songs and concert prayer, Sister Newman preached from Col. 3. She told us it meant much to be dead to sin.

At 7:15 p. m. following the opening service Brother and Sister Newman sang "The Way of Holiness," with much inspiration, after which Sister Heath brought the message, and, oh, how we saw it meant so much to stay in the will of the Lord. When the altar call was given it was soon filled with hungry souls earnestly seeking the Lord.

Aug. 7. Very interesting Bible study in the morning, and Brother Gosset preached a good sermon in the afternoon followed by a good talk from Brother Nance, after which we had a healing and altar service.

In the night service Mr. I. V. Rumsey sang a solo, "When They Ring the Golden Bells," which was very impressive. The very inspiring sermon that followed, delivered by Z. D. Simpson on Prayer, made us feel more our need of prayer. Let us pray more and I am sure great results will follow. The altar was full of hungry souls, wanting more of God. One received the Holy Ghost.

Aug. 8. After Bible study in the morning, we had a street service in Gadsden at 3:30 p. m. conducted by Brother Heath and others. In his sermon at night we were made to see the great need of having the power of God if we ever hope to take a ride in the air to meet the Saviour. We must do the things that God has commanded us to do if we want to live with Him in glory.

Aug. 9. We had a very interesting Sunday school. It was wonderful how the children could sing, and how they did answer Bible questions, showing they had been well trained. Then we had some fine talks. What it takes to make a good superintendent, by Brother Rogers; What it takes to make a successful teacher, and the use of the literature, by Brother Richard; The Sunday school activities by Sister Heath. An offering was taken up for the orphans which amounted to \$7.11.

The decision was to have a permanent camp ground here. A sermon on, The Peaceful Reign of the King, by Brother Horace Nance, was enjoyed by all.

There were many seekers in the altar and one was saved and one sanctified.

Sister Heath brought the message in the afternoon, and the children inspired us as their sweet little voices rang out with the praises of God in a song.

Brother Richard was rewarded with a Bible for his faithful service in getting us ready for the camp meeting.

At 8 o'clock Brother Heath delivered a soul stirring mes-

The Ohio State
Camp Meeting

The Church of God Coming to the Front in Ohio

On the morning of Aug. 8 the writer boarded the train at Russell, Ky., and was on the camp ground in time for dinner.

The first one to meet us was our dearly beloved State Overseer, Brother E. Haynes; and here let me say that Ohio is a great state; the Church of God is coming to the top in Ohio; we have a great Overseer; and we as ministers love to be loyal to him.

When we met the pastor of the Church of God at Middletown (a man of God from head to foot) and the church we were made to say "Surely God is in this place." God wonderfully blessed in both the evening and night services.

On Sunday morning we came together for Sunday school, Brother Murphy Hill as Bible teacher, who proved himself to be "approved unto God; a workman that needeth not to be ashamed."

After Sunday school Sister Haynes brought the message, and as usual the power of the Holy Ghost accompanied the message, which was enjoyed by everyone present. In the afternoon God blessed and the saints shouted for joy in the old fashioned camp meeting way. At night after an hour of songs and prayer, Brother W. T. Ferguson brought the message, which was a treat to all, and a number fell in the altar and prayed through.

Monday morning after songs and testimonies Brother Paul Moss preached another good sermon from John 7:35. In the afternoon service the blessed Holy Ghost came in waves of glory, the saints shouted and danced, and messages were given in tongues which were interpreted by Sister Haynes, then the saints went on their knees in earnest prayer for lost souls. Brother Ferguson preached at night from Rev. 19:11.

At the very beginning Tuesday morning the Spirit was poured out. Brother Milo Cross from Detroit, Mich., brought the message on the Richness of God. People fell at the altar and sought God until the afternoon service.

At 6:30 p. m. the power of God again overshadowed His people. Sister Lettie Cross brought a Spirit-filled message from Heb. 2:3. The power and wisdom of the Holy Spirit was upon the speaker in a marvelous way, making impressions on the minds and hearts of saints and sinners far beyond what we can describe with pen. At the close people flocked to the altar, and service lasted till late in the night.

Wednesday in the morning service the children were given time to testify for their Master. Brother Huff's message at night was the right thing in the right time. Some claimed victory in the altar service.

Thursday was a great day on the camp ground, of songs, prayers, shouts and testimonies to the glory of God. The anointing was on us in such a way that each wanted to tell about the goodness of God. The sermon preached at night by Brother Beagle was enjoyed by all.

Friday, every one seemed to look better and be better, and we started the day with making His praises ring, the saints rejoiced, and messages in tongues with interpretations were given. Brother C. L. Arrington's message at night made us rejoice.

Saturday morning none seemed tired, and all ready to sing and pray. The writer delivered the message on Some of the Blessings of God.

At 2:30 the State Convention met in business session without the slightest discord.

sage on, The Fear of Rejecting the Spirit of God, text Gen. 6:16. At the close the altar was full of earnest seekers.

This was a great camp meeting, many were blessed, and the Spirit of God continued with us throughout the meeting. The large new building would not hold the people at night.

This will be a permanent camp ground for North Alabama.

Revival preacher in the State, how's present, was just glad the other was on the job, and he business was carried on with love and fellowship. At the close of this meeting a unanimous vote was given for Brother Haynes to come back next year.

At 7:30 p. m. was a great time when so many of the saints shouted and danced under the mighty power of God. Sister Morrow was the preacher of the hour. Her message was followed with a good altar service.

Sunday morning Sister Bertha Weaver preached, the writer in the afternoon and Brother Arrington at night. At the close of the sermon at night twenty hungry souls fell at the altar and sought God.

Each evening at 6:30 Brother Ferguson had charge of the healing service. Almost every kind of disease was prayed for and many victories won. About 154 people were anointed and prayed for and healed of cancers, tumors, ulcers, fits, broken bones straightened and many other wonderful healings.

The Ohio State Camp Meeting has gone down in history, and will long live in the memory of those who attended. All hated to see the hour come when we must say good-bye. God's power was manifest in every service.

May the richest blessings of God rest upon every member and minister in the State of Ohio, and may we put forth an organized effort to do more for God next year.

CHURCH SET IN ORDER

I want to report another sweeping victory for God and His church.

Brother W. F. Wright had been holding a meeting four miles from Evening Shades, Ark., and preached until he was exhausted in body and sent me a hurried message to come at once. So I left the meeting at Lepanto, which was to close that night, in charge of Brother Paul Beasley, and hastened to the rescue. We boarded the train and after 3 1-2 hours we reached Hardy, where we were met by some with smiling faces, placed in a truck and driven over hills and through hollows till we reached the camp ground with reinforcements, where we brought up the flank movement unawares on the enemy.

The Lord sure did bless and souls went through to victory in the first service. We stayed eight days and the battle was won for Jesus. There were eighteen saved, fourteen sanctified, four received the baptism of the Holy Ghost; and Brother Wright set a church in order with sixteen members, good material came in from the Methodist and Baptist church.

Some of the saints from Imboden who were on fire for God were with us Saturday and Sunday night, and were a great help.

We had opposers, but, thank God, He said, "My grace is sufficient for thee." The Church of God has come to this place to stay, we give God all the glory. These are fine people and so hungry for God. Pray for them.

Good News From the Bahamas

I have just received a letter from Brother David LaFleur, Overseer of the Colored work. He is now in Nassau in a revival and he reports that several have received the blessing and that the saints are being blessed and edified. He also states that some of his band have gone to different islands. I am truly glad to hear this, and we are well pleased with the good work which our Brother LaFleur is doing. We are looking for some of the Nassau brethren to attend the Assembly. Brother Eneas told us while we were there that he would make an effort to attend.—F. J. Lee, General Overseer.

Sister Lucinda Runion of Cincinnati, Ohio, requests prayer from the saints everywhere that Sister Ida B. Armstrong who is seriously sick at present may be healed so that she can be out on the battlefield again.

Revival at Gastonia, N. C.

I want to praise the dear Lord this morning for victory over sin and the Devil. Praise His dear name! I am praising Him for being saved from a life of sin, sanctified and filled with the Holy Ghost. I also want to praise Him for the little Evangel that comes to my home every week; it sure is food to my soul when I read so many good things that the Lord is doing for His children.

I am glad to say, that He sure is blessing us at this place. The dear saints are shouting the victory and standing four square for the Church of God; and I feel encouraged to press on and do more for the Lord than ever before, for I feel if there ever was a time that the children of God needed to pray it is now. I thank the Lord too, this morning for His healing power, for He has healed my body many times, and I am trusting Him for both soul and body. Praise His dear name.

We started a revival here the 24th of June, and closed it the 19th of July with great victory; Brother T. J. Looney in charge, assisted by our pastor, Brother J. M. Snyder; they sure did preach the Word with great power. There were seventeen saved, fourteen sanctified, seven filled with the Holy Ghost, eleven added to the church, and eight followed the Lord in water baptism.

We were glad to have Brother Looney and family with us; we have learned to love them. We are also proud of our pastor, Brother J. M. Snyder, for he sure is standing by his work at this place, and the Lord sure is blessing him.

Now I want to say a few words about how the Lord healed Sister Looney while the revival was going on. She was taken very ill, and at times we would think she was dying, but we never gave up, we just prayed and believed the Word and God gave victory and healed her body, and we are praising Him for it today.

Now everyone that reads this pray for us at this place, that we may stay in the center of God's will and do just what He would have us do, and be ready to go when He comes or calls.

Healed of Appendicitis

I am praising God tonight because I am saved through the blood of Jesus. It is wonderful what the Lord will do for people if they will only pay the price. I am so glad that He ever saved me from a life of sin. I thank the Lord that I speak in tongues as the Spirit gives the utterance. I also praise the Lord for His wonderful healing power, for He has healed my body several times. He healed me once of appendicitis, when the doctors said that I would have to undergo an operation before I would ever get well, but bless God I didn't have to have an operation. I just called on Jesus, and He healed me. Praise His sweet name. The Lord has been so good to me I can't praise Him enough. I am glad that I am serving a Saviour that can heal. I want all the saints everywhere to pray for me that I may do what the Lord would have me do.—Josie Gray, Sidney, Ark.

BELL, Fla.—Mrs. J. M. Brown writes, "I want to praise God this morning for full and free salvation and because I am a member of the dear old Church of God. I am still saved, sanctified and filled with the Holy Ghost and praise Him for healing my body. Oh, it is so sweet to trust in Jesus."

REVIVAL FIRE BURNING
IN SOUTH CAROLINA

We have just closed a three weeks meeting at Columbia, S. C. The writer run the meeting the first week, and Brother S. C. Chambers joined me the second week.

The power of God fell in the good old time way, which made me think of the Assembly; the saints were blessed and built up in the faith; at times the power would fall in the song service inasmuch that we would just have to quit singing and give away to the Lord in praises—shouting, dancing and talking in tongues.

The church building was too small to accommodate the people. We had to get some extra benches and chairs, and then most every night there were many who could not get in the building.

Some one said they had been living in Columbia 30 years and had never seen a meeting like this, and they were not Church of God people, either, but they knew God and could tell when He was working.

There were fifty-one or more saved, thirty-eight sanctified, twenty-one received the Holy Ghost, twenty-four came into the Church, and seventeen baptized in water.

We certainly can recommend Brother S. C. Chambers of Wall-halla, S. C. He is a Church of God preacher, and if he can't have a revival there is not much use for any one else to try.

We thank the people for their assistance in the meeting, and for their money, too.

I notice in the Evangel that the Lord is blessing the Church of God most everywhere. We ask all who read this to pray for us. May God bless all His faithful children.

O. H. Tollison.

REQUEST

My husband is unsaved and desires the prayers of all the saints, for God to save, sanctify and fill him with the Holy Ghost.

Loyal to the Church of God

ARLEY, Ala.—I have been a member of the Church of God for 13 years, and I want to say tonight that I still love the Lord and praise Him for His goodness to me. I feel new zeal and courage taking hold of me now. Oh! how I praise the Lord for the Church of God and her government and I am determined to be loyal to her teachings. The Lord said, "No good thing will he withhold from them that walk uprightly." I mean to measure up to the standard in order to have the approval of Jesus on my life. It means so much to live so as to hear Jesus say, "Well done."

TEXAS STATE
CAMP MEETING

R. P. Johnson writes: The Texas State Camp Meeting at Weatherford, came to a close Aug. 16. It was wonderful; great power, great glory, great joy, great singing, great preaching, great crowds, great love, great unity, great praying and great altar services; angels ministered, the Holy Ghost controlled, Christ was exalted, the Father was pleased and we were blessed. A great victory for the Church of God in Texas.

JESUP, Ga.—Our meeting here closed a few days ago, Brother Hipps being in charge. We feel like much good has been accomplished and that seed has been sown that sometime will spring up and bring forth fruit unto everlasting life. The Word was given out with power and the saints were blessed and we believe drawn closer together in love. A church house was purchased.

We ask that you pray that this love and fellowship will continue until God answers and people fall into the altar and get saved; and pray also that utterance may be given unto me that I may open my mouth boldly, to make known the mystery of the gospel.

General Assembly

The 20th Annual Assembly of the Churches of God will convene in the Church of God Auditorium in Cleveland, Tenn. Oct. 19-25 inclusive.

The indications are that this will be the greatest Assembly in the history of the church. Our members and friends are invited. Those who are unsettled are requested to be present. Our opposers are insisted on to come and be convinced. Those who have been misled will find a welcome in our midst. "Come thou with us, and we will do thee good."
